

Jane Millar

- International executive coach working trilingually with senior leaders and their teams
- Background in business development and as an entrepreneur
- Ten years' experience of working with leading European business schools
- Associate trainer for occupational psychologists OPP
- Particular expertise in psychometric profiling across wide range of instruments
- Consultancy including design and delivery of organizational design interventions

Focus of consulting and training work

- Leadership coaching, up to CEO level
- Group facilitation on leadership development programmes
- Multicultural team development (especially using MBTI amd Lencioni models)
- MBTI certification training on behalf of OPP in the UK and Italy (Step 1 and 2)

My message

- Know yourself
- Seek to understand and appreciate others
- Keep asking questions!
